

‘PIONEERS AND PATHFINDERS’

A series of short articles on people and places that are identified to be ‘Pioneers and Pathfinders’ published in the journal *Transfusion Medicine Reviews* – listed in published date order

Note: The internet links for the published material listed below in **blue** allow free access to the article whilst those in **red** allow access only via an institutional pass, site registration or payment.

An editorial by Morris A. Blajchman published in the January 2005 edition of *Transfusion Medicine Reviews* (Vol. 19, Issue 1, Page 1) announced the intention to publish a series of short articles under the general title of ‘Pioneers and Pathfinders’.
